

Saturday Summer Programming at the

West Woodstock Library!

Mystic Aquarium Beluga Whales & Invertebrate Touch Experience

June 18, 2 PM & 3PM (Pick one session!) Register by June 10 or as early as you can.

Approximate ages 3- Grade 5.

WHALE TALES

Most kids love swimming in the ocean, but imagine spending ALL of your time in the ocean swimming, eating, sleeping, etc. We will discover how these charismatic whales are mammals like us, but are specially adapted to survive in a cold ocean ecosystem. We will also get to touch some marine invertebrates!
